## **AG Bruning Releases Statement on U.S. Supreme Court Announcement on Health Care Law Challenge**

LINCOLN – Attorney General Jon Bruning today released the following statement on the announcement by the U.S. Supreme Court to hear oral arguments on the health care challenge beginning March 26, 2012.

“This Court’s decision in our challenge to this unconstitutional grab at federal power may be the most important of our generation,” said Bruning. “We will continue to fight for individual liberty and state sovereignty.”

In a nearly unprecedented move, the U.S. Supreme Court will hear 5.5 hours of oral argument on the case brought by a 26-state coalition.
